AllAboutKidsprovidessupervisedvisitationand monitored exchange services to families who are/have been impacted by domestic violence, sexual assault or child abuse referred to us within Franklin and Grand Isle Counties. All About Kids offers safe and unbiased child friendly spaces where parents have the opportunity to enjoy supervised parenting time with their children or have exchanges monitored. The goal of AAK is to foster a sense of safety, honesty, trust and well-being by creating an environment that increases the adult victim and child's sense of safety, and allows for reparative experiences and opportunities in a warm, caring and humanistic environment. Safety is ensured for adult survivors and their children with staggered arrival times. The visit rooms are filled with games and blocks, toys and art supplies, while the older kid's room has age suitable board games and art projects. A small kitchen is available for families to use to prepare snacks or make a meal together.

**VISIT TIMES AND FREQUENCY:** All about Kids provides supervised visitation and monitored exchange services to families. Typically a one hour visit one time per week is scheduled for each family.

Visitations and Exchanges are scheduled for Tuesday through Sunday.

**PROCESS:** Once the court has determined supervised visitation or exchanges are necessary, it is up to both parents to contact All about Kids (AAK). Self referrals are also accepted.

In person intakes are set up for each parent at separate times. After both parents have done this and visits are set, the custodial parent will bring the child (ren) to AAK for an orientation before visits begin.

**TIIMEFRAME:** This depends on a few factors: How quickly intakes can be scheduled and completed, availability of open slots and agreement on visit time by both parties. If everything falls into place, visits could begin as quickly as the following week.

**COMMUNICATION WITH COURT:** If at least one party has contacted AAK and the other has not, or visit time cannot be agreed upon, AAK will return a form to court to update them on the case.
